Estimados amigos y alumnos,

Edreamers se creó con una filosofía muy clara: priorizar los resultados, bienestar y cuidado de los menores con una alta motivación del alumno sin ningún otro interés que la plena CONFIANZA y TRANSPARENCIA.

Debido a la situación que estamos atravesando y con el total convencimiento de la gran importancia del aprendizaje del inglés, Edreamers ofrece Cursos Online de muy alta calidad enfocados en elevar el nivel de entendimiento y soltura al hablar. Hacer que nuestros alumnos rompan la barrera que separa los dos idiomas y soltarse de manera natural consiguiendo una fluidez en las conversaciones, debates y opiniones.

Tras realizar una prueba, el alumno se incorpora a un grupo con compañeros de otras nacionalidades que tienen su mismo nivel y edad semejante.

Para ello no dudamos en contar con la prestigiosa organización Thames Valley (TVSS) y todos sus cualificados profesionales que han demostrado con éxito el aprendizaje del inglés con más de 60.000 estudiantes de 10 a 17 años en una experiencia de más de 45 años.

La seriedad, interacción y excelentes resultados alcanzados en los cursos Online el pasado verano junto con el grado de satisfacción de los alumnos hace que no dudemos en ofrecérselo a nuestros estudiantes entre 10 y 17 años como la más amena formación en los periodos en los que no tienen colegio.

Cada día que pasa, tu confianza aumenta ayudándote a que tu aprendizaje sea más rápido. ¡Te lo aseguro!

Thank you and good luck with your English!

Course Design

- The TVSS online courses are 1 or 2 weeks in duration, focus on speaking & listening skills and help prepare students for future Trinity College Graded Examinations in Spoken English.
- You will take a short Online Placement Test to be enrolled in an online English class appropriate to your English level alongside a mix of students who you will learn with throughout your course.
- Lessons will focus on speaking and listening to authentic English. In each class you will be given the opportunity to speak English with the class and with the teacher. Our Online English classes are small, with a maximum of 8 students in each class, so you can learn in a supportive, friendly environment. In exceptional cases, in order to place students at their correct level, maximum class size may be exceeded.
- All languages are constantly changing and English is no exception. With this in mind, we go to great lengths to make sure our courses and products are constantly being updated.
- We have a team of language experts with over fifty years' experience between them. Their task is to make sure that you learn the most current form of English. And that you learn it in the most stimulating and enjoyable way.
- We believe that you will learn faster and more effectively if your lessons are fun, interactive and relevant, that's why our fully qualified teachers use a range of techniques and develop classes that are motivating and build your confidence. Be a stronger English speaker when schools reopen!
- Classroom activities will include discussions, role plays, pair work, collaborative group projects, focus on pronunciation, mini-presentations, listening comprehensions, podcasts and embedded sound & video files.
- Our teachers are all native-level English speakers who are friendly and fun to work with. They're all expected to hold internationally recognised teaching qualifications - as required by the British Council. Student progress is closely monitored by the Director of Education.

Typical TVSS Teacher

Please note that these profiles are of typical TVSS teachers and your online classes may not be taught by the people featured in them.

Rebecca Reyes

After completing her degree in Comparative Literature and Linguistics, Rebecca obtained the Cambridge CELTA qualification in Spain in 2017.

She has taught English for three and a half years specialising in exam preparation for teens and adults, including Cambridge, Trinity, Aptis, TOEFL/TOEIC and EIKEN. Rebecca has returned to the UK over the summer to work for us at both Rugby School and Epsom College.

Thanks to her own experience as a language learner, Rebecca's teaching style is open and encouraging, so every student can feel motivated to learn. In her free time, she enjoys reading, dancing and trying new recipes with varying degrees of success.

Will Dove

After graduating from the University of Warwick in 2015 with a degree in English Literature, Will completed his CELTA qualification to become a professional EFL teacher.

Since then, he's taught English in language academies across France, Italy, and Spain. For the last two years, Will has returned to the UK over the summer to work for us at Epsom College. He has just finished his PGCE course at the University of Exeter to become a French and Spanish teacher and will commence his new teaching role in a UK school in September.

Will enjoys photography, reading, and keeping fit. As a devoted 'petrolhead', his car and motorcycle are his pride and joy.
